PRESIDENT & CEO UPDATE

Dear Board Members:

As summer unofficially begins, I am pleased to announce that our summer camps are ready to open on June 20th and Oakcrest Community Pool has already been opened and I am happy to report was full of families on Memorial Day. Nothing makes me happier than hearing the sounds of children having fun. I hope you all have an opportunity this summer to stop by and visit one of our summer camps or Oakcrest Community Pool. I can promise that it will bring a smile to your face.

Some exciting things on the horizon include our collaboration with the Raritan YMCA to expand our footprint in Middlesex County. Being a vision of mine since I become CEO, I am so excited that you get to join me on this journey. I hope to see everyone at our collaborative meeting on June 9th at the Woodbridge Community Center.

Our Annual Support Campaign is moving along. I am happy to say that we are at \$300,000 and well on our way to our goal of \$370,000, thanks to our many campaigners and our Director of Financial Development, Liz Bennett. You can see Liz's update on page 13.

Our Annual Dinner was a huge success, as we welcomed in new Board leadership, John Dowd and honored Bruce Peragallo, Piscataway Mayor Brian C. Wahler and Withum, as well as the four Malinowski Rising Star award winners. We also welcomed three new Board members. Please see page 2 for a recap of the night!

We are gearing up for more special events this year, including the 5K Run/Walk, the Richard Hale Memorial Golf Classic and the Tot Trot & Fall Festival. Please save the dates (listed on page 5).

With one more Board meeting before summer break, I will take this opportunity to wish all of you a fun and relaxing summer!

YMCA OF MEWSA HOLDS ANNUAL DINNER

On May 25, the YMCA of MEWSA held it's Annual Dinner at the Pines Manor in Edison. More than 240 people were in attendance to celebrate for many reasons, beginning with commemorating the 100 year anniversary of the YMCA of MEWSA. Honorees included Bruce Peragallo, who received the Charles S. Edgar Award, Mayor Brian C. Wahler, who received the Peter J. Barnes, Jr. Community Champion Award and Withum, who received the Community Partner Award. Also of note was the appointment of John Dowd as Chairman of the Board of Directors, and the appointment of four new Board members: Amie Thornton, Falguni N. Patel, Rachael Masturzo and Karen Alexander. The [Malinowski Rising Star](#) winners were also honored, including Andrea Febres, Metuchen Y; Jennifer Cruz, Child Care Services; Alyssa Waldron, Edison Y and Brandon Wizda, Piscataway Y. The Malinowski Rising Star Award is presented to outstanding youth employees of the YMCA of MEWSA. The event raised more than \$40,000 with over \$25,000 in sponsorship support which will ensure that everyone has access to life-changing programs at the Y. Please visit our [website](#) to see our sponsors.

CHILD CARE BRANCH HOLDS BEER TASTING FUNDRAISER

John Holl, Y Child Care parent hosted an evening of fun and interesting conversation exploring the history of beer, local breweries, styles and more. He took participants on a tasty tour of six breweries to sample several different styles of beer, as well as suggested food pairings. This event was held as a fundraiser towards the Annual Support Campaign.

GRACE ELC HOSTS FUNDRAISER

Grace Early Learning Center hosted a "Dinner To Go" fundraising event to raise money for the Annual Support Campaign, catered by La Parrilla D'Eri. They sold 53 dinners, consisting of rice and beans, chicken, salad, pasta and sweet plantains. The restaurant, owned by a current YMCA family, graciously donated all the meals, stating that they truly believed in our mission and wanted to help out in this tasty way. Many families ended the night with their hearts happy and their bellies full!

LEADER'S CLUB WELCOMES HEROES & COOL KIDS PROGRAM

The Teen Leaders Club has once again collaborated with the [Heroes and Cools Kids](#) program sponsored by the Metuchen Alliance. The organization is unique in that it consists of former professional athletes and potential teen leaders who mentor middle school students.

The teens participated in the "Sidekick Program", which trains 8th grade student leaders to mentor 4th graders. The focus is on important life skills that lead to good choices including goal setting, anti-bullying, cyber-safety, and anti-drugs and alcohol.

Program Leader Michael Spence talks to the teens about self-esteem, confidence building, and personal growth. Not shown, Program Leader Harrison Moran Fernandez.

HARBORVIEW CHILDREN BUTTERFLY PROJECT

Harborview children and their teacher, Ms. Amanda, delighted in their latest Butterfly project. The children fed the caterpillars for about a week before they climbed to the top of the jar and created a chrysalid. The chrysalids were moved to a special habitat and emerged in about a week. The teacher provided orange slices for them to eat and the children enjoyed them in their habitats for a couple of days. They then went outside and each child had an opportunity to let a butterfly walk on their hand before they released them out of the habitat. The children were very excited and enjoyed the unique experience!

TOGETHERHOOD UPDATE

-By Richard Husar and Katherine Liss

Food Drives

Through April 2022, 1,890 items were collected and brought to the food pantry. This includes 225 food items collected from street drives as well as 145 cans of soup donated through the "SOUP-er Bowl" program spearheaded by Brenda Werneiskei, and run at the time of The Super Bowl.

1,665 food items were dropped off in the lobby, a vast improvement over the 901 items collected last year. However, there have been only 225 items collected from street drives, compared to 1,130 items last year. Overall, there is a deficit of 141 food items less than last year.

It is significant to note that last year we had 1,000 drop-offs in the lobby during April and May. This year April generated 230 items, and May is even slower. We have sent message blasts to remind members that we are still in the food collection business – hopefully that will help.

It may be that higher food costs are taking a toll, but we remain optimistic in our fraternal mission of helping those that are food insecure.

Blood Drives

New Jersey Blood Services (NJBS) tells us that every pint of blood can save up to three lives. The first two drives at the Metuchen YMCA in 2022 brought in 138 potential donors, which resulted in 113 units of blood being collected. Those numbers tell us that many, many people have been helped by the Y/Togetherhood drives.

Of course, donors are the heroes behind these efforts. On average, over 60% of those who present to give blood are repeat donors at the Y, many who show up at every drive. There are also a core of a dozen individuals who volunteer consistently. Over the last few years, a good synergy has developed between the donors and the Togetherhood volunteers. We believe that it's that feeling of knowing you are helping others that keeps both donors and volunteers coming back.

Summer blood drives will be held on Sunday, June 26 and Sunday, August 28. Both will have shortened hours (8:00 AM to 12:30 PM) because of the chance that excessive heat might cause a drive to shut down, as it did last year. We are hopeful that these next two drives will help overcome the deficits that the summer months and the ongoing pandemic have historically had on the supply of blood.

CHILD CARE INITIATIVES IN APRIL

April is a busy month for the many child care initiatives held to celebrate, educate and protect our children.

WEEK OF THE YOUNG CHILD

Week of the Young Child, a [National/New Jersey Association for the Education of Young Children \(NAEYC\)](#) event, is held every year in April to celebrate early learning, young children, their teachers, families and communities. The children celebrated Music Monday, Tasty Tuesday, Work Together Wednesday, Artsy Thursday and Family Friday.

FIVE DAYS OF ACTION

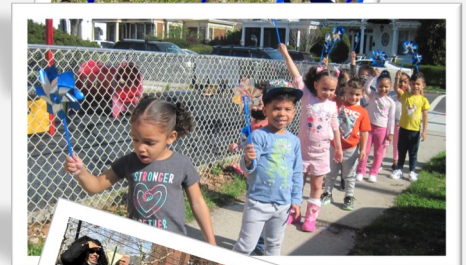

Five Days of Action, a week-long social media awareness campaign to raise awareness and inspire adults to take action to protect children from sexual abuse, is a joint initiative between Y-USA and the [Darkness to Light Foundation](#). During the Five Days of Action, the Y engaged in critical steps of prevention—Know, See, Respond—that will help adults better protect children. For more information about preventing child sexual abuse, visit www.fivedaysofaction.org.

PREVENT CHILD ABUSE MONTH

Sponsored by [Prevent Child Abuse New Jersey](#), the “Pinwheels for Prevention” campaign is held every April in observance of Child Abuse Prevention Month. The pinwheel logo was chosen as a national symbol of prevention because it is fun and joyful and evokes childlike notions, exemplifying the “great childhoods” we desire for all children. The children made a pinwheel gardens to remind everyone that keeping children safe is important.

HEALTHY KIDS DAY

Sponsored by Y-USA, Healthy Kids Day celebrates children’s mental and physical health, while teaching healthy habits for children and families, encouraging active play, and inspiring a lifetime love of physical activity. The children had fun enjoying activities, playing games and creating art, while enjoying visits from vendors such as Kinder Pediatrics and Hackensack Meridian Health.

RYAN PATTERSON MEMORIAL SCHOLARSHIP

The YMCA of MEWSA is now accepting applications for the Ryan Patterson Memorial Scholarship. Teen youth members of the communities that we serve who are pursuing a higher education in the fall of 2022 are eligible.

The recipient must strive for excellence in academics, sports or the arts. In addition, they must demonstrate that they have made an impact in their community through volunteer work, a service project or other means, live by the golden rule, have influenced others in a positive way and advocated for others who are less fortunate.

Applications are due June 30, 2022.

Now accepting applications!

EDISON CHILD CARE PROGRAM HOLDS ART SHOW FUNDRAISER

The Edison Y's child care program held an art show to raise funds for the Annual Support Campaign. Teachers worked with the students for weeks to prepare and parents had the chance to support the local artists—their children! The kids loved seeing their work on display and the parents enjoyed getting a peek into how the Y uses the Creative Curriculum to promote art.

SOUTH AMBOY RESUMES SAFETY AROUND WATER PROGRAM

The South Amboy YMCA, in collaboration with South Amboy Township and the Board of Education, are once again offering Safety Around Water swim lessons for all second grade students in the district. Given that the Township is a waterfront community, Council President Mickey Gross felt that it was imperative that children learned how to swim and the collaboration with the South Amboy YMCA made that happen. The program ran in 2019, but was put on hold due to COVID -19. The program will

serve over 80 students, who were very excited about the program.

Attendees enjoyed sampling different beers in the 100th Anniversary commemorative beer glass that they received. \$1,000 was raised which will go towards the Annual Support Campaign. A special thanks to Hailey's owner Moshe Atzbi (fondly known to everyone as Moe) for his continuing support, Hailey's staff member Nicole Perez, and Board

YOUTH & GOVERNMENT WRAPS UP

The 2022 Youth and Government Program is wrapping up yet another successful year! The teens attended the Conference from April 8-10th virtually and presented their bills, including Driver Safety, Climate Change, Education and Sugar Taxing. They look forward to attending the program again next year! During the summer, the teens are planning a field trip to the National Constitution Center in Philadelphia.

This program was made possible through a grant from the New Jersey State Bar Foundation. This is their second year of funding this program.

ANNUAL SUPPORT CAMPAIGN UPDATE

The 2022 Annual Support Campaign kicked into high gear in March and April. With the combined effort of more than 125 volunteer campaigners, including all Association Board Members, Branch Board Members and Committee Members, we have raised more than \$300,000 on our way to our goal of \$370,000. Campaigners are the heart of our success, many putting in hours to reach out to donors for support. Some of the ways our staff and volunteers have creatively campaigned include:

- Art Shows at Edgar Early Learning Center and Edison Branch YMCA
- Phone-a-Thons at South Amboy Branch and Metuchen Branch
- Coin Drives at Harborview and Metuchen Branch
- “Camp-aign” Kickoff at Edison Branch
- Restaurant Tours and Give Back Days from restaurants like La Rosa Pizza, Panera, Chuck E. Cheese, Costa Verde, Gem Bagels, Mulberry Street, D’Italia Restaurant, Jersey Pizza Boys, Good Vibes and more. Some are still to come.
- Shopping days at Kendra Scott
- Meals To Go from Grace Early Learning Center and Spring Festival at Our Savior’s
- Bake Sales by our Teen Leaders Group
- A Craft Beer Tasting at the Parlor at Hailey’s

Thank you to all the staff and volunteers who have been instrumental in getting us to our campaign goal. If you would like to join in the fun, please call Elizabeth Bennett at 732-516-2087 or email Elizabeth.Bennett@ymcaofmewsa.org to get involved.
