2026 WEEKLY THEMES

2026 CAMP THEMES

JURASSIC ISLANDS

Campers will investigate prehistoric Earth through fossils, dinosaur habitats, and the role of climate, terrain, and food webs—turning curiosity into discovery.

SCRATCH ARCADE CHAMPIONS

Build and code your own arcade-style games using Scratch's easy drag-and-drop blocks. Learn loops, variables, and game logic while bringing your creative ideas to life.

MAD MACHINES & ENGINEERS

Explore pulleys, wedges, screws, and levers, launch catapults, play robot soccer, and work together to build a giant geodesic dome everyone can fit inside

EUREKA: FLIGHT TO THE FUTURE

Use creativity to escape a mysterious island and blast back into space! Explore submarines, boats, stomp rockets, and spacecraft, dive into sci-fi with Jules Verne and Isaac Asimov, and build your own light-up lightsaber to take home

SECRET AGENT LAB – SPIES LIKE US

Train as a super spy with hands-on missions and gadgets! Decode messages, crack safes, dodge lasers, and use real spy tools—plus take home your own spyglasses.

STEAM TANK ENTREPRENEUR

Dive into STEAM and entrepreneurship! Design, create, and launch a new business each day—from PIZZpreneur to SLIMEntrepreneur—and pitch your ideas to the island sharks at the Challenge Island Mall.

MINE ISLAND

Campers will build shelters, create crafting tables and go mining for materials.

MINECRAFT WORLD BUILDERS CAMP

Build your own Minecraft world from the ground up—design districts, landmarks, and a guided adventure route. Learn redstone basics to create working doors, traps, puzzles, and interactive builds that bring your world to life.

ROBLOX: CREATE YOUR OWN OBBY & ADVENTURE WORLD

Design and build immersive 3D worlds in Roblox Studio with obstacles, landmarks, and interactive features. Playtest, improve, and share your world as you create like a real game developer.
