Welcome to Camp!

We are thrilled to have your family join us for a summer full of adventure, growth, and unforgettable memories. Our camps are designed to offer a fun and safe environment where children can explore new activities, make lifelong friends, and create moments that will inspire them all year long.

We cannot wait to see your child thrive and discover all the exciting opportunities we have in store. Here at the YMCA of MEWSA, we believe in fostering a sense of community, kindness, and fun – and we are so excited to share this special summer with you!

YMCA of MEWSA Cause & Mission

At the YMCA, we know that lasting personal and social change comes when we all work together. That's why, at the Y, strengthening our community in mind, body and spirit is our cause. Every day, we work side by side with our neighbors to make sure everyone has the opportunity to be the best they can be.

We are dedicated to building strong kids, strong families and strong communities through programs that develop values of caring, honesty, respect, and responsibility. The YMCA serves all people, regardless of age, religion, gender or financial means and is committed to helping everyone develop a healthy spirit, mind and body.

YMCA Character Development

At the Y we strengthen community by focusing our efforts on developing youth, improving healthy living for all and fostering social responsibility to create positive and lasting personal and social change. YMCA of MEWSA day camp provides priceless opportunities to promote and help instill the values of caring, honesty, respect and responsibility. We provide staff role models and activities that are conducive to positive character development.

Annual Support Campaign

At the YMCA of MEWSA, camp is more than a place for children to spend their summer. It is a place where they build confidence, make friends, and feel a sense of belonging.

For many families in our community, this experience would not be possible without support.

Each year, the YMCA of MEWSA Annual Support Campaign raises funds to provide financial assistance for children and families who need it most. This includes many of the campers who participate in our programs. These funds help ensure that every child has the opportunity to attend camp, learn, grow, and be part of something meaningful.

When you see children at camp laughing, trying something new, or building friendships, there is a good chance that the Annual Support Campaign played a role in making that experience possible.

Participation in the campaign is completely voluntary. Families who wish to support can learn more or make a contribution by visiting:

<https://ymcaofmewsa.org/support>

Every contribution, no matter the amount, directly supports children and families in our community.

Daily Schedule

Camp operates on a structured daily schedule that includes a mix of indoor and outdoor activities such as sports, arts and crafts, group games, and swimming.

- Before care 7:00 AM – 8:00 AM
- Regular camp hours begin at 8:00 AM -5:00 PM
- After care 5:00 PM-6:00 PM
- Daily schedules may vary slightly by site and age group

Campers rotate through activities throughout the day with their assigned group. Some activities may take place outside or off-site depending on the program. Parents/Guardians should stay up to date with our weekly themes to ensure the best camp experience for their child

For a detailed daily schedule specific to your child's camp location, please contact your Camp Director.

Field Trips, Swim Days, Swim Test

- Some programs include field trips or special on-site events
- Advance notice and permission requirements will be communicated by the camp team
- Campers must follow all safety expectations during trips and off-site activities

Swimming & Swim Test

All campers may have the opportunity to participate in swimming. Proper swimming gear is required (bathing suit, towel, bathing cap). Swim testing will be done each Monday to make counselors and lifeguards aware of your child's swimming capabilities. Campers will be responsible for bringing their own swimming gear. Swim levels are identified using wristbands or similar markers. Non-swimmers remain within arm's reach of staff and use appropriate safety equipment

Swim safety follows the **"Test, Mark, Protect"** approach

Test: Every individual who wants to enter the pool. If a child is under 8, you may automatically mark them as a non-swimmer. Anyone not swim tested can be automatically marked as a non-swimmer.

Mark: Everyone entering our pools will utilize breakaway neckbands or wristbands. This allows the lifeguards and adults to know everyone's swimming ability, and to identify non-swimmers and give them the attention they need.

Protect: All non-swimmers are encouraged to sign up for swim classes. They will stay in arms reach of an adult. Staff will ensure they wear properly fitted, Coast Guard approved life vests at all times. Please note that these measures do not replace the requirement to provide lifeguard supervision.

For more information, please contact your branch's aquatics director.

What to Bring/What Not to Bring

Campers Should Bring:

- Backpack labeled with child's name
- Refillable water bottle

- Sunscreen (applied at home and brought to camp). Campers need to bring in their own sunscreen and is applied throughout the day. Young campers who need assistance putting on sunscreen can ask for help from a camp counselor.
- Bathing suit and towel on swim days
- Lunch and snacks
- Weather-appropriate clothing
- Close-toed shoes

Please note that all items should be clearly labeled

Do Not Bring:

- Electronics (phones, tablets, gaming devices)
- Valuable personal items
- Toys or personal sports equipment unless requested by staff

The YMCA of MEWSA and each of its branches are not responsible for lost or stolen items. Please make sure that all personal items are labeled. We strongly advise that your child does not bring personal items to camp (ex: Nintendo systems, iPods/iPads/iPhones, cell phones, tablets or other electronic devices, toys, etc.).

Personal sports equipment should not be brought to camp unless instructed in advance by counselors or other camp staff. In the event that they are brought into camp they will be held by the Camp Director and returned to the parent/guardian at the end of the day.

Cell Phones

If your child brings a cell phone to camp, it must remain off and camper's bags. If there is ever a time when they need to call their parents, the Camp Director will allow them to use the YMCA phone or use their own personal device in the Camp Directors office.

If prohibited items are brought to camp, they may be held by staff and returned at the end of the day. Personal belongings have a way of getting misplaced during camp.

Lunch and Snack

Campers must bring a packed lunch and snacks each day.

Lunch Guidelines:

- Pack a full lunch with enough food for an active day
- Include water or a low-sugar drink
- Include a balance of items such as protein, fruits, vegetables, and snacks
- Use a freezer pack to keep food fresh when needed
- Please do not pack food that needs to be microwaved

Please Avoid:

- Sugary drinks or soda
- Excessive sweets
- Peanut products (to the best of your ability - we are not peanut free but want to be mindful of campers who are)

Campers will not have access to vending machines during camp hours.

Trips (if applicable):

- Campers may bring limited spending money (recommended maximum of \$25)
- Money should be labeled and secured in an envelope or wallet

Daily Operations

Drop-Off and Pick-Up Procedures

Parents/guardians are responsible for escorting their child to and from the designated camp location each day.

Campers must be dropped off and picked up during scheduled camp hours. Camp activities may take place indoors or outdoors, so families should follow site-specific instructions for arrival and dismissal.

Sign-In & Sign-Out Procedures

All campers must be signed in and out daily by an authorized adult.

A sign-in/sign-out system will be available at each site

A valid photo ID is required at pick-up.

Campers will only be released to individuals listed as authorized contacts in the camper's file or with written permission from a parent/guardian.

Camper Absence & Attendance

The YMCA of MEWSA does not offer make-up days for missed camp days. No refunds or credits will be issued for absences unless approved by the Camp Director.

Parents/guardians are encouraged to notify the camp if their child will be absent.

Release of Children

For the safety of all campers, children will only be released to authorized individuals.

YMCA of MEWSA staff will not release a child to:

- Any individual not listed as an authorized contact
- Anyone without valid photo identification
- Any person who appears impaired or is deemed unsafe

If an authorized individual appears impaired, staff will not release the child and may contact emergency contacts or local authorities if necessary.

All situations will be documented and escalated to camp leadership.

Authorized Pick-Up, ID Requirements, and Custody Considerations

In cases where an enrolled child is the subject of a court order (**ex... Custody Order, Restraining Order, or Protection from Abuse Order**) [YMCA of MEWSA Child Care Centers] must be provided with a Certified Copy of the most recent order and all amendments thereto. The YMCA of MEWSA Child Care Centers will follow all court orders as written. Any changes, modifications, restrictions, or exceptions to a court order requested by either parent/guardian must be reflected in an updated court order or other legally binding documentation provided to the YMCA of MEWSA.

The YMCA of MEWSA will not alter enrollment records, authorized pick-up permissions, emergency contact information, or parental access rights based

solely on a parent's verbal or written request when such changes conflict with, modify, or are not addressed within the court order.

In cases of shared or joint custody, both parents/guardians will be afforded the rights and access outlined in the most current court order on file with the YMCA of MEWSA.

In the absence of a court order on file with the center director, both parent/guardians shall be afforded equal access to their child as stipulated by law. Our YMCA of MEWSA Child Care Centers cannot, without a court order, limit the access of a one parent/guardian by request of the other parent/guardian, regardless of the reason. If a situation presents itself, where one parent/guardian does not want the other parent/guardian to have access to their child, the YMCA of MEWSA Child Care Centers suggests that the parent/guardian keep the child with them until a court order is issued.

If conflicting legal documents are presented, the YMCA reserves the right to consult legal counsel and/or law enforcement before acting. The YMCA may temporarily suspend release of the child until the matter is clarified, consistent with applicable law.

Once presented with a Protection from Abuse Order or a Restraining Order, the YMCA of MEWSA Child Care Centers is obligated to follow the order for the entire period it is in effect. Employees of the YMCA of MEWSA Child Care Centers cannot, at the request of anyone, except the issuing judge, allow a Protection from Abuse Order and/or a Restraining Order to be violated. The YMCA of MEWSA Child Care Centers will report any violations of these orders to the local police.

Behavior and Discipline

Guidelines for Positive Discipline

At the YMCA of MEWSA, we use positive discipline to help children learn appropriate behavior in a supportive and respectful environment.

We do not use:

- Harsh language, shaming, or intimidation
- Physical punishment of any kind
- Food, rest, or activity as punishment

Instead, staff guide behavior by:

- Setting clear and consistent expectations
- Anticipating challenges and planning engaging activities
- Redirecting behavior when needed
- Offering choices and appropriate consequences
- Encouraging and reinforcing positive behavior

- Supporting children in developing self-control and problem-solving skills

Positive discipline focuses on teaching children what to do, building confidence, and creating a safe and respectful camp environment.

Camper Code of Conduct

All campers are expected to:

- Treat others with respect
- Follow staff directions
- Use appropriate language and behavior
- Keep hands and bodies to themselves
- Respect camp property and materials

Campers are expected to contribute to a safe and positive environment for everyone.

Bullying

Bullying is when one or more people exclude, tease, taunt, gossip, hit, kick, or put down another person with the intent to hurt them. It occurs when a person or group seeks to gain power over another at the expense of someone else.

Bullying can also occur through electronic means, including emails, text messages, social media, and other online platforms. These behaviors can impact campers both during and outside of camp.

At the YMCA of MEWSA, we have a zero-tolerance approach to bullying. Each camper is expected to treat others with respect and contribute to a positive camp experience.

All incidents of bullying are taken seriously and addressed by camp leadership. Staff are trained to support positive peer interactions, encourage communication, and respond to concerns appropriately.

We encourage families to communicate any concerns with camp staff. Building strong relationships with campers and families helps us address concerns early and support a safe environment for all.

Escalation Process

When behavior concerns arise, staff will work to support the camper and address the situation appropriately.

Steps may include:

- Redirection and coaching
- Removal from an activity to regain self-control
- Documentation of behavior
- Communication with parents/guardians
- A meeting with camp leadership if needed

The goal is to work in partnership with families to support positive behavior.

Camp Discipline Policy

To maintain the quality and safety of our camp programs, the YMCA of MEWSA has set guidelines and limits for all participants. Constructive methods of discipline are implemented in alignment with our positive behavior approach and the YMCA core values of caring, honesty, respect, and responsibility.

The YMCA does not tolerate behavior that harms other campers or staff. This includes, but is not limited to:

- Degrading or demeaning others
- Physical or verbal threats
- Harassment or intimidation

When a camper's behavior negatively impacts others, the following steps may be taken:

1. **First Warning:** Discussion of the incident with the Camp Director
2. **Second Warning:** Written behavior report and meeting with parent/guardian, counselor, and Camp Director. If suspension occurs, fees are non-refundable
3. **Third Warning:** Dismissal from camp. All fees for the current session are forfeited

In serious situations, suspension or dismissal may occur immediately at the discretion of the Camp Director.
